### Communication nr 3 dated October 22, 2011

As a reminder, October 29<sup>th</sup> at 8:30am, there will be a Committee Meeting with all interested parents. Professor Kinga Kosmola, from the University of Chicago at 1130 E. 59<sup>th</sup> Street, Chicago, IL 60637, will be joining us. She will be speaking about the importance of our students' Polish education and how beneficial these classes are for them. Knowing the Polish language and completing high school at our Polish School is of the utmost importance. It will improve their future when they go to college. She will answer all questions, not only regarding high school, but younger grade levels as well. We welcome all to join us.

During the remainder of the meeting, we will discuss our 2010/2011 school year financial standing and all proposed changes for the current year as well as the future of our school.

We ask all parents to speak with their children about their behavior at school. There should be absolutely no reason for students to walk into Centennial Hall during or after classes without a teacher present. Taking and destroying items found on school property will not be tolerated.

October 29<sup>th</sup> is the last day to pay for school and religion classes without incurring a penalty.

We would like to inform you that our school is trying to "go green" and will be sending out these communications electronically, as well as on our website. We ask all of you to read and fill out the bottom of this form. This document will give us your correct information. Students should return these forms to their teachers by October 29<sup>th</sup>.
